Living a Jesus-centered life is an intentional commitment to a set of practices. It is a pledge to follow Jesus: Turn, Learn, Pray, Worship, Bless, Go, Rest. As you study and reflect on the Signs of Life (light, water, food, shelter, and community) throughout Lent, imagine the depth of what you will discover, both in yourself and in others, if you walk the Way of Love.

Beginning Ash Wednesday, join the Brothers of the Society of Saint John the Evangelist and the Department of Lifelong Learning at Virginia Theological Seminary in a study of the Signs of Life throughout the holy season of Lent.

Worship engages what we most deeply value and need, and has the power to transform our lives. Join the Brothers of SSJE in exploring the signs and symbols at the heart of Christian worship.

While it is a common tradition to give up something for Lent, this year we invite you to consider taking something on: delve into the Signs of Life and discover the riches of our worship traditions, liturgy and sacraments, and the art and architecture of our worship spaces. We hope this calendar of practices will help you to dig deep and experience the full meaning of these signs.

A robust curriculum can be found online at SignsofLife.org: worship, prayers, and reflection questions for both large and small groups to deepen your experience of Christian vocation and guide you toward ongoing conversion of life.

It became the custom of the Church to prepare for the days of our Lord’s passion and resurrection with a season of penitence. We are invited to the observance of a holy Lent, by self-examination and repentance; by prayer, fasting, and self-denial; and by reading and meditating on God’s holy Word. This calendar invites you to connect scripture, liturgy, and practice through the signs of light, water, food, shelter, and community to follow the Way of Love.
